MARK MAYFIELD

It's seldom that you find a really funny, clean comedian and it's seldom that you find a really good, captivating speaker. It's nearly impossible to find one who is both. Mark Mayfield is one of the rare individuals in the world who is equally accomplished at performing comedy shows or delivering high content keynote speeches.

Known as "The Corporate Comedian", he has merged together his corporate background as a lobbyist and his comedy background as a nightclub performer to create an extremely unique and comedic presentation style. He has received rave reviews sharing the stage with a wide variety of celebrities like Paul Newman, Peter Frampton, Colin Powell, and Bob Newhart and has introduced the President of the United States on a live, nationwide television broadcast. He has also been seen in print and television commercials.

Mark is author of the popular book, *Mom's Rules*, a comedic yet poignant look at those things Mom said to us as kids, and he makes nearly 100 presentations annually to a wide variety of corporations, conventions, and trade associations. He has received two degrees magna cum laude from Kansas State University and is a recipient of both the "Certified Speaking Professional" designation and the "CPAE Speaker Hall of Fame" recognition given by the National Speakers Association.

From comedy shows to seminars, Mark's philosophy is simple.....say it with humor and people will take the message home. A national convention planner recently called Mark "one of the very few, really funny, inspiring men in America today". Mark's mom also said that once after a small bribe.
